Attorney Docket No. 4647-061111

The above referenced application is a national phase application of a PCT filing. A Search Report should have issued in this application, and the Notice of Acceptance suggests that a Search Report has been received. However, as of August 14, 2007, we have not received the Search Report despite our requests for it. Accordingly, we have not submitted the art disclosed in the Search Report. The literature submitted, however, is known by the Applicants to be relevant.

Nevertheless, the Commissioner of Patents and Trademarks is hereby authorized to charge any additional fees which may be required to Deposit Account No. 23-0650. One (1) original and one (1) copy of this Information Disclosure Statement are enclosed.

Respectfully submitted,
